This turtle is deformed. You know more about special needs reptiles than we do.

Bleached from nail polish

misshapen shell

overgrown beak

bite wounds

missing toe

Guess you're my problem, now...

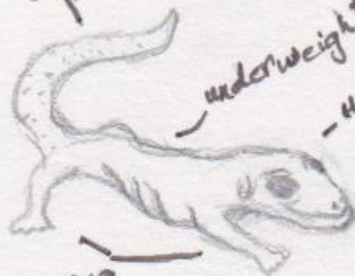

"sick tail"

underweight

uneven eyes

malignant jaw

missing toes

We thought she'd have a better chance here.

Fine, leave her to me.

She has Metabolic Bone Disease

shell deformity

Give her to me.

crooked legs

There's a rattlesnake in my yard!

On my way! Do NOT Kill it!

Should I just let her go?

No! I'm coming to get her.

What is a Snweebo?

I don't know.

Why are we glowing and floating?

We will capture the Snweebo!

Our tank is too small SIR!

ZZZZZZ

This might be the work of the Snweebo...

Have a nice day!

Where is the rest of the car?
